

2023-2024 Quick Facts

I. Weekly private lessons are offered in 30, 45, or 60-minute sessions, depending on the student's age/level. Some general guidelines regarding lesson length:

- **30-minute lessons** are standard lesson length at most studios, a great option for children 12 and under and most beginner students.
- **45-minute lessons** are suitable for students who are interested in focusing on repertoire, improvisation, and theory.
- **60-minute lessons** have a benefit for both advanced and beginner levels. Advanced students will have more time to discuss musical concepts and beginners may benefit from more hands on time with the teacher.

II. Lessons are available in both **In-Person and Online formats** (Using Zoom)

III. COVID-19 Resources for In-Person Lessons

- **IF YOU FEEL SICK AT ALL DO NOT ATTEND YOUR LESSON. (We can meet online)**
- **Masks are optional** for In-Person lessons until otherwise notified.

IV. **Practice habits** are learned and will be developed as our lessons progress. Do not expect perfect practice habits from the beginning. **All students are expected to have their own instrument that is suitable for playing with ease.**

V. It is recommended that students **get a binder or duotang** for their lessons. Please **bring the binder to every lesson**. Teacher will provide material.
